“Where love meets learning”

Zion's Preschool does not discriminate on the basis of gender, race, culture, ethnicity, religion or disability.

Zion's Preschool offers a curriculum of age appropriate activities designed to meet the developmental needs and abilities of preschool children. Zion's Preschool promotes a positive self-concept in a safe, secure and stimulating Christian environment.

Our programs help prepare children with the academic and social skills that will help them succeed in kindergarten.

- Children will practice gross and fine motor skills, letter recognition and writing.
- Children have fun with hands-on science activities, creative art projects, pretend play, outdoor play and daily stories.
- Teachers help children adjust to new social environments and develop social and problem-solving skills as they make new friends
- Children enjoy regular chapel lessons with Pastor Caitlin and learn about their role in sharing the light of God's love.
